Print date: 24.03.2026.

GENERAL INFORMATION

Delivery number: 251-758-054-44/2-25-39

Sample name: **ZEOILTE TOOTHPASTE 75mL - HERBAL**
Sample type: Products that come into contact with the mucous membrane
Delivery time: 15.01.2026. 14:47
Analysis began: 15.01.2026. 14:47 Analysis ended: 24.03.2026. 09:18
Request reason: Safety
Delivery type: Delivered
Delivered Heiltropfen Lab d.o.o.
Offer 133-1/056/2025

Report delivery address 1. Heiltropfen Lab d.o.o., Slovenija, 2281 Markovci, Borovci 64

SAMPLE DESCRIPTION

The submitted sample is **ZEOILTE TOOTHPASTE 75 mL – HERBAL**, packaged in plastic and cardboard materials, without a declaration provided in the Croatian language.

A pictorial label is displayed:

Notes:

- 1) It is forbidden to highlight the Institute in the text of the product declaration, unless it is defined by the contract.
- 2) The results refer exclusively to the analyzed sample and may not be used for advertising purposes.
- 3) The facsimile is authentic with the original signature of the authorized person.
- 4) *accredited method, and F*methods in the flexible area.
- 5) The measurement uncertainty is expressed as the expanded measurement uncertainty(U**) with a comprehensive coverage factor of k = 2, which represents a 95 % confidence level.
- 6) Results expressed as less than (<) refer to the limit of quantification of a particular method, except for the field of sanitary microbiology.
- 7) MDK*** maximum allowed amount according to the legal regulations specified in the conformity assessment. RC* recommended criterion in case of microbiological tests where MDK*** is not applicable. GV limit value for the outdoor air area.
- 8) NZJZAŠ disclaims responsibility when the information about the sample received from the customer is such that it can affect the validity of the results.
